Re: Household Goods Bunker Adjustment Factor

Matson adjusted or maintained its Bunker Adjustment Factor for the following services with the noted effective date.

- HAWAII service: 18.5% Effective June 19, 2022
- GUAM service: 39% Effective June 19, 2022
- ALASKA service: 19% Effective June 19, 2022

The Bunker Adjustment Factor will be applicable on all Household Goods shipments in each defined service until revised.

All updates will reside on the “News You Can Use” page of the Matson Household Goods website www.matson.com/hhg/ thru the end of the current SDDC cycle. Thank you for shipping with Matson.
